A Clear Vision for Our City from Mayor Patrick Green

The City of Normandy is a municipal governmental entity that exists to provide public service. Those services must be delivered by an organization that is reflective of the community it serves.

Normandy is a community where volunteerism, donation, and self-sacrifice are common occurrences. We recognize those who have dangerous jobs but also those everyday people who perform services for others again and again because they care.

Normandy is a community that prides itself on clean parks and neighbors caring about one another.

Normandy is a progressive city. Normandy is a place where government services are dependable and efficient, where new ideas are embraced with

enthusiasm and energy that encourages an environment for success.

Normandy believes in integrity through openness, moral principles and ethical conduct in order to promote professional standards that deliver the best customer service to our citizens and all actions that are basic to the way we treat each other.

Normandy also believes in accountability, pledging its stewardship in managing the public's resources to constantly be aware of responsibilities to the public.

Normandy is committed to teamwork, a unity of purpose that leads to action. This daily effort should create an environment to which individuals can contribute ideas, skills, and talents in order to move our great city forward.

Community Disaster Response Tips

THUNDERSTORMS

Thunderstorms can occur at any time of the day or night and at any time of the year, however most occur in the afternoon or evening hours of spring and summer months and all produce lightning. Lightning kills about 90 people and injures nearly 300 each year.

WHAT TO DO: When it comes to basic storm preparedness if you can hear thunder, you are close enough to be struck by lightning. If possible, get inside a sturdy building. Such areas as sheds, tents, cars and under isolated trees are not acceptable. If a hard top automobile is your only option, roll up the windows and do not touch any metal surfaces. Contrary to generations of dangerously misguided lore, the rubber tires of autos do not offer full protection, as the steel frame can transmit electrical energy. You may still be injured in the vehicle, but much less so than if you were outside. If you are involved in watersports, get to land, get out of the boat and away from the water. Do not shower or bathe. Use telephones only for emergencies, unplug any appliances, turn off air conditioners. If you are outside and remote from any safe shelter, find a low area that is not subject to flash flooding and is away from trees, fences, poles, etc. If you are in wooded areas, seek shelter under the shorter trees. If at any point you feel your hair stand on end or your skin tingle, you

must immediately make yourself the smallest target possible. Squat low to the ground on the balls of your feet, place your head between your knees and put your hands on your knees. Minimize any contact with the ground.

TORNADOES

Tornadoes can occur at any time of the year, but in the Southern states they tend to occur in the spring (summer in the North). Most tornado deaths occur while people are in autos or mobile homes.

WHAT TO DO: A tornado warning indicates a need to take shelter immediately. If you are at home or in a small building, go to the basement or to an interior room of the lowest floor. If possible, take cover under a large immovable object such as a workbench. Wrap yourself in heavy blankets or coats to protect from flying debris, and put on any motorcycle or bicycle helmets. If you are in a large public building, stay away from glass-enclosed areas or areas with a wide roof span, such as gymnasiums or auditoriums and warehouses. Crouch down, roll into a ball and cover your head with your hands. This position protects most vital organ areas. If you are in a car or a mobile home, abandon them immediately; go to a sturdy structure or a designated tornado shelter. If there is no suitable structure nearby, lie flat in the nearest ditch or depression in the ground and cover your head with your

hands.

EXCESSIVE HEAT

Heat cramps, exhaustion and heatstroke are life-threatening.

WHAT TO DO: Cramps are simply muscles contracting due to excessive water loss through perspiration. Gently massage the muscles, sit in a cool place and drink plenty of fluids. Heat exhaustion is manifested in profuse perspiration, cool and clammy skin, a weak pulse, possible fainting and nausea or vomiting. If left untreated, exhaustion can lead to heat stroke. Have the exhausted person lie down in a cool place, loosen any restrictive clothing and place cool washcloths over pulse points (wrists, neck, head) to help the body cool off. Drink cool water. If the person is vomiting and unable to keep down fluids, seek medical help. Heatstroke causes the body's heat regulatory system to fail, thereby rendering it unable to produce perspiration. Death can occur very rapidly after initial onset of symptoms. Look for hot, dry skin, confusion, irrational behavior, coma, seizures, and a very rapid pulse. If the heatstroke is induced by heavy exertion, the person may still have perspiration on his or her skin while being unable to produce more. Take the victim to a cool place, remove clothing, sponge with cool water, fan him or her and call 911. Do not give fluids by mouth.

Safety Tips on the web!

As we transition from the Spring into the Summer, we are bound to see a few storms that could be potentially disastrous. This newsletter contains some general information on thunderstorms, tornadoes, and excessive heat.

The city of Normandy also has a booklet on our website that contains tips for these and many other disaster type situations. You can search for this document on our website using the keywords "Community Disaster Response Tips" or by typing in the web address below into your search bar on your computer or phone.

WARD 4 Town Hall Meeting

SATURDAY, JULY 15TH

Share ideas for
YOUR COMMUNITY!

Ward 4 is hosting the
next Neighborhood
Town Hall Meeting on
**Saturday, July 15,
2017 from
4:00 pm-5:30 pm.**

Location: Tear Drop Park

The town hall format
is intended to be a
moderated discussion
between community
members, councilmembers
and city staff to talk about
issues of specific
concern to neighborhoods.

If you have topics you
would like to talk
about, please send an
email to
Kimberly Knox at
kknox@cityofnormandy.gov

Be mindful of your speed. Children at play!
**There are a limited number of Drive Like
Your Kids Live Here signs available. Contact
your councilperson to reserve one for your
yard! First come, first served basis.**

Wayside Garden
members use organic
methods to raise pro-
duce from over 80 indi-
vidual plots.

Membership is open to
all who live or work with-
in the Normandy School
District.

Stop by and visit us.
Educational events are
held on-site.

Little Free Library

Visit the Normandy Little Free Library located at Wayside Garden (415 Bermuda Dr.).
Don't be shy! Please come take a book or leave a book.

Why do we have a Little Free Library? Because we all do better when we all read better. Books really can build healthier neighborhoods and healthier people. A growing body of research shows that reading has a wealth of benefits — from sharpening memory and reducing stress to improving concentration and strengthening relationships. Reading boosts vocabulary and lifts your spirits. It increases empathy and improves brain health. In fact, reading is one of the most important things we can do to ensure a happy, successful life. Kids are especially affected, with books at home significantly increasing a child's level of education.

The Sanitation Services Department meets the environmental needs of Normandy by:

- Conserving energy and resources throughout the City
- Planning for the City's future sustainability
- Protecting and renewing the City's natural resources
- Reducing the effect of pollutants in our City

You can help!

REDUCE.

REUSE.

RECYCLE.

What you need to know about Sanitation and Public Works

Our Public Works and Sanitation employees normal starting schedule is at 7:00 a.m. Monday through Friday. Please have all items to be collected set out by 7:00 a.m. on your collection day. Please place all roll-out trash carts, trash cans, bundles of limbs and yard-waste bag(s) to be collected at the curb on proper day.

YARD WASTE COLLECTION: Yard waste will be collected on your regular trash collection day. Yard waste (**in paper yard waste bags only**) may **not** be set out any other day of the week. Normandy residents may set out yard waste to be collected at curb in biodegradable Kraft paper yard waste bag(s) or piles of bundled limbs only. For smaller items or piles, residents may use brown paper grocery bags for disposal. These Kraft bags are readily available from vendors everywhere. Limbs that are set out for “yard waste collection” **must** be bundled into piles that are 12 inches maximum in diameter and 4 ft maximum in length. **Yard waste is defined as berries, grass, gumballs, leaves, twigs, small branches and weeds.** Please do not co-mingle yard waste & household garbage in same container. Due to tight Environmental Protection Agency & the Missouri Department of Natural Resource regulations, yard waste in plastic bags, plastic of any kind, and/or any items that are not yard waste **will not** be collected as yard waste. Missouri Senate Bill 530 prohibits the disposal of yard waste in landfills. Please keep yard waste and household trash separate.

APPLIANCE COLLECTION: Appliances will be collected on Wednesday of every week that does not contain a holiday. Please set items out for collection by 7:00 a.m. There is a \$10.00 charge for each appliance set out for collection. These items must be pre-paid at City Hall. Residents will receive a collection tag/sticker to be placed on each appliance to be collected. Material set out for collection without tag/sticker is subject to receive a citation.

TRASH DUMPSTER: The City offers a 2-cubic yard trash dumpster for large household clean-ups. Residents having a need for a trash dumpster may apply in person at Normandy City Hall. Payment is due at time of application. Dumpsters are issued for a 7-day period on a “first-come, first-served” basis. This service has a **fee of \$25.00 for each dumpster empty.** Please call the Sanitation crew at (314) 486-2182 if you finish with the dumpster prior to the seven-day time period. This will **assist** our sanitation department in more efficiently delivering trash dumpsters to other residents. The Environmental Protection Agency & the Missouri Department of Natural Resources regulate collection of items discarded into dumpsters, see application for details. Please do not place items that we do not collect into the dumpster.

LIMB-CHIPPING SERVICE: During *winter* months all material for disposal must be cut into 4 ft. lengths and tied into bundles and placed at curb for collection. During the *spring* and *summer* months (after April 3rd, 2017), residents having limbs and branches for disposal may set their material at curbside for our weekly collection by Public works crew. Crew will begin the collection on Monday and chip limbs until the entire city has been serviced. There will be no charge for Normandy’s limb chipping service which is designed to assist Normandy residents that service their own trees. All limbs and branches for disposal may be placed at curb for the limb chipper. Limb chipping service **will not operate** after October 11th, 2017.

WOOD CHIPS/MULCH: Wood chips from our limb-chipper and mulch materials are available free of charge to all Normandy residents that wish chips or mulch. Bring a container or pick-up truck to the City’s Public Works Facility 5800 Bermuda Road between 7:00 a.m. and 3:00 p.m. Monday— Friday.

SUMMER SERVICE SCHEDULE for Public Works and Sanitation

SANITATION SCHEDULE: Sanitation employees begin their day at 7:00 a.m. Monday thru Friday. Please place all roll-out trash carts, trash cans, bundles of limbs and yard-waste bag(s) to be collected at the curb on proper day. Residents living in all wards will receive household garbage collection and yard waste collection on your specific day. Please place only roll-out trash cart and any yard-waste bag(s) to be collected **at the curb but not in the street.** Please remove roll-out trash cart from curb at end of each day.

MONDAY - Service is scheduled for residents living in Ward 1.

The following streets are within the boundary of **Ward 1** and will be serviced on Monday: (*streets are listed alphabetically*). Annex Court, Atherstone Drive, Bermuda Avenue {addresses from 5621 to 6114}, Blandford Drive, Brand Avenue, Dartmoor Drive, Ellington Drive, Holborn Drive, Paddington Drive, Parchester Drive, Sanborn Drive, Sheriton Drive, Tuxedo Court, Wincheslea Drive, Wooddale Lane and Woodstock Road.

TUESDAY - Service is scheduled for residents living in Ward 2.

The following streets are within the boundary of **Ward 2** and will be serviced on Tuesday: (*streets are listed alphabetically*). Belwood Drive, Bermuda Court, Bermuda Avenue {addresses from 1000 to 5615}, Colton Drive, Donbar Drive, Faraway Drive, Horizon Drive, Kirkland Drive, Olene Drive, San Bernardino Avenue, San Diego Avenue, Bishop J. A. Johnson Lane, Santa Monica Avenue, Skyview Drive, Stanwood Drive, Winslow Drive & Winward Drive.

WEDNESDAY - Bulky items collection and appliance collection for residents living in ALL 4 Wards.

Bulky items or heavy pick-up collection and “Appliance” collection will remain on Wednesday. Larger items like dressers & chairs may be placed at the curb for collection on this day. There is a \$10.00 charge for each “Appliance” collected. Heavy pick-up collection will be dropped from any week that contains a holiday allowing residents to receive two collections {*one household collection & one recycling collection*} during a holiday week. Material will be collected from all 4 wards on this day. Appliance collection must be paid for in advance of collection at Normandy City Hall.

THURSDAY - Service is scheduled for residents living in Ward 3 & in Ward 4.

The following streets are within the boundary of **Ward 3** and will be serviced on Thursday: (*streets are listed alphabetically*). Augusta Avenue, Bermuda Avenue, {addresses from 415 to 933}, Circle Drive, Cool Valley Drive, Contour Drive, Florissant Road {addresses from 7320 to 8115}, Lacorn Court, Marietta Avenue, Nacomis Drive, Natural Bridge Road {addresses from 7263 to 7855}, Oakmount Avenue {addresses from 3700 to 3748}, Pasadena Blvd, Rosedale, St. Ann’s Lane, Springdale Drive, Waco Drive, Walker Lane.

The following streets are within the boundary of **Ward 4** and will also be serviced on Thursday: (*streets are listed alphabetically*). Arcola Drive, Florissant Road {addresses from 7806 to 8242}, Lucas Lane, Natural Bridge Road {addresses from 7200 to 7900}, Normandy Place, Oakmount Avenue {addresses from 3600 to 3620}, St. Andrews Place, St. Mary’s Lane, Wallingsford Avenue.

FRIDAY - Recycling collection is scheduled for Friday: Recycled goods will be collected from all four wards on Friday. Our goal is to reduce the flow of trash into the landfill by 40% by recycling. Limit items placed in recycle cart to recycling items only. Please do not store food or household trash in your recycling cart. Please do not place recycling products in any type of plastic bag. You may however place your paper recycling items in a paper grocery bag if you wish.

HOLIDAYS

There are 9 weeks in a calendar year that contain 10 holidays; (1) New Year’s Day, (2) Martin Luther King Birthday, (3) President’s Birthday, (4) Memorial Day, (5) Independence Day, (6) Labor Day, (7) Veteran’s Day, (8) Thanksgiving Day together with the (9) Friday after Thanksgiving Day and (10) Christmas Day.

During a Holiday week, our crew will work a four-day week. Regardless of what day of the week the holiday falls on, the collection procedure is the same:

- The first work day of that week, our crew will provide service to Ward 1...
- The second work day of that week, our crew will provide service to Ward 2...
- The third work day of that week, our crew will provide service to Wards 3 and to Ward 4...
- The fourth work day of that week, our crew will provide recycling collection to all four Wards.

The exception to the rule will be Thanksgiving Holiday when there will be NO recycling collection on the Friday after Thanksgiving. Crews will provide service to Ward 1 on Monday, Ward 2 on Tuesday & Wards 3 & 4 on Wednesday providing NO heavy-pick-up service or recycling service for that holiday week.
