

RESOLUTION

SUPPORT OF NORMANDY DISTRICT COMMUNITY-BUILDING INITIATIVE
"24 TO 1"

WHEREAS, in order for the citizens who reside within the jurisdictional boundaries of the Normandy School District to have outstanding schools, and

WHEREAS, we believe that the leadership of the municipalities must unite in word as well as in action and we recognize that twenty-four municipalities, each with its own unique leadership structure, create a formidable challenge if unity is required for progress, and

WHEREAS, as we push for development within our respective cities, towns, and villages, it is only natural that we will occasionally experience political divergence, and

WHEREAS, by sending this letter, we are committing to rallying together in unity on behalf of the younger citizens who attend our public schools. In so doing, we are guaranteeing a brighter future for all within our communities... a future in which we shall pursue development by identifying the geographical footprint of the Normandy School District as our common ground for progress, and

NOW, THEREFORE, BE IT RESOLVED that the Mayor and the Councilpersons of the City of Normandy hereby support and recognize that by uniting in our support, we exponentially elevate our prospects for improving all of our municipalities.
