

This is a picture of the Hardy House, so called because its last owner was the Hardy family of Hardy Salt fame. Sitting on 3 acres at the intersection of Bermuda and Florissant Roads, the estate is known as Wayside, so named by the matron of the family, Jane Hardy and today the site of Wayside Community Garden.

The house itself was built between 1891 and 1893 by either John Mullanphy Cates or his sister, Elizabeth Patterson LaMotte. The Cates were the first occupants. The property was sold on December 1, 1916 for \$9400 to Florence Liebke who sold it to the Hardy's on December 31, 1918 for \$8500. Additionally they assumed a mortgage with an unpaid principal of \$5000.

On July 15, 1965, Jane Hardy donated the property, her beloved Wayside, to the Normandy School District to "be used exclusively for public school purposes . . . the grounds for the study of horticulture and ornithology . . . and for the exhibition of arts and crafts". The house was to be used ". . . for instruction of the children of the District . . . and to provide living accommodations for teachers as the need arises". Any athletic facilities or events, including swimming, were prohibited.

For a number of years the house served as a reading

clinic and then as the offices for food services for the Normandy Schools. In 2009, the district leased the property to CAN and the establishment of one of the largest community gardens in the region was soon to follow.

Today the Hardy House sits in a state of disrepair. The community garden uses a part of it for storage, but the rest is unused. Plans have been drawn for its eventual restoration, but its future hangs in the balance.

Citizens for the Advancement of Normandy (CAN) is a small non-profit made up of neighbors just like you. Founded in 2006, our mission is dedicated to the education, preservation, promotion, and beautification of the city of Normandy.

Monday / Wednesday
8:30am -8:00 pm
Tuesday/ Thursday
8:30 am -4:30 pm
Friday 8:30am -12:30 pm

Fall Fun with the Family: Get Moving Together

Fall is a great time to create healthy routines and get active with your family! Healthy habits start in the home, and exercising as a family can be a fun way to spend time together and create special memories. Here are some simple ideas to get you started:

Start your morning with a brisk walk or run. Not only does this rev up your metabolism for the rest of the day, it also gives you time to clear your mind and focus on the day ahead.

It's apple season! Take the family to a local orchard for a day of apple picking, or hit up your local farmers' market as a family.

Happy trails to you... Go hiking or biking and enjoy the beauty of fall! Use Map My Hike or Map My Ride to find trails near you.

Tidy up outdoors. Rake the leaves in your yard. According to Harvard Health, a 125-pound person can burn 120 calories raking the lawn for just 30 minutes.

Take a post-meal walk. Walk with the family after a get-together like a big Thanksgiving or holiday meal. It gets you out of the house and helps you burn calories, too.

Going road tripping? Be sure to park at a few rest stops along the way to stretch and walk around. This is a great way for everyone to release some energy and fit in some exercise.

Go play outside! There are many games you can play outdoors in the fall, like flag football and ultimate Frisbee. You could also try a simple game of tag, going geocaching, or organizing a scavenger hunt.

Early snowfall? Go out and play in the snow, build a snowman, go sledding, or shovel the driveway.

Join a local event. Check your newspaper for run/walk events in your area. Turkey trots, jingle bell walks, and other themed activities can be enjoyable for the whole family.

Auto Theft Basics

As we approach our colder months we wanted to share some tips on auto theft and vehicle break-ins. While vehicle break-ins can occur anytime, auto theft, at least in this area seems to be seasonal. The majority of stolen cars occur when the temperature drops and cars are left unattended to warm up. Please take a minute to refresh yourselves on these tips and help eliminate this preventable crime.

The Auto Theft Basics:

The MOST important thing YOU can do is CALL THE POLICE to report a CRIME or any SUSPICIOUS activity. You have to be the eyes of your neighborhood. And remember you can always remain a pair of anonymous eyes!

In the United States, a vehicle is stolen every 21 seconds. Stolen cars, vans, trucks, and motorcycles cost victims time and money — and increase everyone's insurance premiums. They're also used to commit other crimes. Don't be a victim of this serious crime.

The Basic Prevention Policy:

- Never leave your car running or the keys in the ignition when you're away from it, even for "just a minute."
- Always roll up the windows and lock the car, even if it's in front of your home.
- Never leave valuables in plain view, even if your car is locked. Put them in the trunk or at least

out of sight.

- Remove portable electronic devices such as smart phones and GPS navigation systems, including suction cup or bean bag type mounts. (Even the visible appearance of a suction cup ring on the glass windshield can be an enticement to a thief to break in and look for the GPS system.)
- Park in busy, well-lit area.
- Carry the registration and insurance card with you. Don't leave personal identification documents or credit cards in your vehicle.
- When you pay to park in a lot or garage, leave just the ignition or valet key with the attendant. Make sure no personal information is attached. Do the same when you take your car for repairs.

Add Extra Protection:

- Install a mechanical locking device — commonly called clubs, collars, or j-bars — that lock to the steering wheel, column, or brake to prevent the wheel from being turned more than a few degrees. Use it!
- Investigate security systems if you live in a high-theft area or drive an automobile that's an attractive target for thieves. You may get a discount on your auto insurance.

What About Carjacking:

Carjacking - stealing a car by force - has captured headlines in the last few years. Statistically, your chances of being a carjacking victim are very slim, and preventive actions can reduce the risk even more.

- Etch the vehicle identification number (VIN) on the windows, doors, fenders, and trunk lid. This helps discourage professional thieves who have to either remove or replace etched parts before selling the car. Copy the VIN and your tag number on a card and keep it in a safe place. If your vehicle is stolen, the police need this information.
- Approach your car with the key in hand before getting in. Look around and inside before getting in.
- When driving, keep your car doors locked and windows rolled up at all times.
- Be especially alert at intersections, gas stations, ATM's, shopping malls, convenience and grocery stores — all are windows of opportunity for carjackers.
- Park in well-lit areas with good visibility, close to walkways, stored, and people.

If the carjacker has a weapon, give up the car with no questions asked, your life is worth more than a car.

Tips on how to avoid car break-ins:

Do not leave valuables in plain view:
(GPS devices, lap tops, PDA's, cell phones, MP3's, wallets, purses)

Do not leave windows or sunroof open.

Do not leave doors unlocked.

Do not leave keys in the vehicle.

Do not leave the garage door opener in plain view.

Do not leave out items with personal information.

Do not move valuable items to the trunk while in public view.

Slow Down and use common sense before you leave your car.

**We Remember
Long Time Normandy
Resident
Leo J. Tevlin**

Leo J. Tevlin, a St. Louis Television Pioneer, died at age 94 on September 12, 2017.

A Native St. Louisan who, at age 5, witnessed Charles Lindbergh fly over downtown for an awaiting parade crowd. Leo Tevlin would later become an Aviator himself serving in World War II and Korea as a Naval fighter pilot flying 77 missions.

Tevlin was inducted into the St. Louis Media Hall of Fame in 2016 for his pioneering work as a Chief Engineer in helping to launch three television stations here. A cameraman for CBS' 1st network televised MLB Game of the Week

series with Dizzy Dean & Pee-Wee Reese. Tevlin worked on network coverage of the Mercury, Gemini and Apollo space programs and later became part of the nation's 1st E-N-G news gathering operation transitioning from film clips in newscasts to video tape & live shot technology and paving the way for today's news gathering method used worldwide.

As one of the oldest living Amateur Radio Operators - licensed in 1934- (Ham Radio) Leo Tevlin help the Catholic Church with its missionary work & expansion into South America.

He retired in 1985 having worked for CBS Television for better than 40 years.

Before convalescing, Leo Tevlin lived in Ladue, a widower and father of eight children.

Town Hall Meeting and Fall Festival

Residents gathered on October 28, 2017 to learn more about the Normandy Police Department Body Worn Camera Program. Sergeant Timothy Conner and Sergeant Tameika Sanders presented information and provided demonstrations to help residents understand how the cameras work. Technology is rapidly advancing and body-worn cameras are the wave of the future for most police departments.

The presentation was enlightening and residents learned more about this new technology, which aims to contribute to positive effects between law enforcement and the communities they serve.

Councilwoman Kimberly Knox (Ward 4) organized the dual event as a way to bring residents together and keep the community informed on new changes. Councilwoman Delrita Futrell

(Ward 2) and Councilman Bob Reid (Ward 4) attended and assisted with event preparation.

Immediately after the meeting the city hall transformed into an art room. Some of Normandy's youngest residents enjoyed painting pumpkins at the city's Fall Festival. Thanks to Normandy's Public Works Director, Rodney Jarrett, melodic tunes filled the air. The music was accompanied by laughter from both children and parents alike.

Attendees were given treat bags with Halloween safety tips. Though the turnout was low, the leftover treats were put to use. Normandy Police Officers passed out candy and safety tips during their patrols.

For more information about Town Hall meetings in your ward contact your councilpersons.

We need **YOUR** help to make our second annual "Coats for Kids Event" an even bigger success than the last!

Beginning on September 12, 2017 and continuing through November 16, 2017 the Normandy Police Department will be collecting new or gently used children's coats in all sizes and charitable cash donations.

Drop Box Locations for coats include:

Normandy PD (lobby):
7700 Natural Bridge Road

Normandy 7th & 8th Grade Center:
7855 Natural Bridge Road

Lucas Crossing Elementary School
7837 Natural Bridge Road

Jefferson Elementary School
4315 Cardwell Drive

Normandy City Survey Coming Soon

We need your help in identifying and prioritizing issues in our neighborhood.

A Community Survey will be conducted in December 2017 and January 2018. The survey will contain a broad range of questions, including quality of life, priorities for city government, ratings of city services, communication and outreach, use of city facilities and programs, and demographics. Normandy residents will have the opportunity to provide invaluable feedback.

Upon completion, the City Council will review and discuss the results during a council meeting/workshop. Results from the community survey will be used in various ways to inform the budget process, project planning and outreach in 2018.

For more information contact Councilwoman Kimberly Knox at kknox@cityofnormandy.gov.

The Sanitation Services Department meets the environmental needs of Normandy by:

- Conserving energy and resources throughout the City
- Planning for the City's future sustainability
- Protecting and renewing the City's natural resources
- Reducing the effect of pollutants in our City

You can help!

REDUCE.

REUSE.

RECYCLE.

What you need to know about Sanitation and Public Works

Our Public Works and Sanitation employees normal starting schedule is at 7:00 a.m. Monday through Friday. Please have all items to be collected set out by 7:00 a.m. on your collection day. Please place all roll-out trash carts, trash cans, bundles of limbs and yard-waste bag(s) to be collected at the curb on proper day.

YARD WASTE COLLECTION: Yard waste will be collected on your regular trash collection day. Yard waste (**in paper yard waste bags only**) may **not** be set out any other day of the week. Normandy residents may set out yard waste to be collected at curb in biodegradable Kraft paper yard waste bag(s) or piles of bundled limbs only. For smaller items or piles, residents may use brown paper grocery bags for disposal. These Kraft bags are readily available from vendors everywhere. Limbs that are set out for “yard waste collection” **must** be bundled into piles that are 12 inches maximum in diameter and 4 ft maximum in length. **Yard waste is defined as berries, grass, gumballs, leaves, twigs, small branches and weeds.** Please do not co-mingle yard waste & household garbage in same container. Due to tight Environmental Protection Agency & the Missouri Department of Natural Resource regulations, yard waste in plastic bags, plastic of any kind, and/or any items that are not yard waste **will not** be collected as yard waste. Missouri Senate Bill 530 prohibits the disposal of yard waste in landfills. Please keep yard waste and household trash separate.

APPLIANCE COLLECTION: Appliances will be collected on Wednesday of every week that does not contain a holiday. Please set items out for collection by 7:00 a.m. There is a \$10.00 charge for each appliance set out for collection. These items must be pre-paid at City Hall. Residents will receive a collection tag/sticker to be placed on each appliance to be collected. Material set out for collection without tag/sticker is subject to receive a citation.

TRASH DUMPSTER: The City offers a 2-cubic yard trash dumpster for large household clean-ups. Residents having a need for a trash dumpster may apply in person at Normandy City Hall. Payment is due at time of application. Dumpsters are issued for a 7-day period on a “first-come, first-served” basis. This service has a **fee of \$25.00 for each dumpster empty.** Please call the Sanitation crew at (314) 486-2182 if you finish with the dumpster prior to the seven-day time period. This will **assist** our sanitation department in more efficiently delivering trash dumpsters to other residents. The Environmental Protection Agency & the Missouri Department of Natural Resources regulate collection of items discarded into dumpsters, see application for details. Please do not place items that we do not collect into the dumpster.

LIMB-CHIPPING SERVICE: During *winter* months all material for disposal must be cut into 4 ft. lengths and tied into bundles and placed at curb for collection. During the *spring* and *summer* months (after April 3rd, 2017), residents having limbs and branches for disposal may set their material at curbside for our weekly collection by Public works crew. Crew will begin the collection on Monday and chip limbs until the entire city has been serviced. There will be no charge for Normandy’s limb chipping service which is designed to assist Normandy residents that service their own trees. All limbs and branches for disposal may be placed at curb for the limb chipper. Limb chipping service **will not operate** after October 11th, 2017.

WOOD CHIPS/MULCH: Wood chips from our limb-chipper and mulch materials are available free of charge to all Normandy residents that wish chips or mulch. Bring a container or pick-up truck to the City’s Public Works Facility 5800 Bermuda Road between 7:00 a.m. and 3:00 p.m. Monday— Friday.

SUMMER SERVICE SCHEDULE for Public Works and Sanitation

SANITATION SCHEDULE: Sanitation employees begin their day at 7:00 a.m. Monday thru Friday. Please place all roll-out trash carts, trash cans, bundles of limbs and yard-waste bag(s) to be collected at the curb on proper day. Residents living in all wards will receive household garbage collection and yard waste collection on your specific day. Please place only roll-out trash cart and any yard-waste bag(s) to be collected **at the curb but not in the street.** Please remove roll-out trash cart from curb at end of each day.

MONDAY - Service is scheduled for residents living in Ward 1.

The following streets are within the boundary of **Ward 1** and will be serviced on Monday: (*streets are listed alphabetically*). Annex Court, Atherstone Drive, Bermuda Avenue {addresses from 5621 to 6114}, Blandford Drive, Brand Avenue, Dartmoor Drive, Ellington Drive, Holborn Drive, Paddington Drive, Parchester Drive, Sanborn Drive, Sheriton Drive, Tuxedo Court, Wincheslea Drive, Wooddale Lane and Woodstock Road.

TUESDAY - Service is scheduled for residents living in Ward 2.

The following streets are within the boundary of **Ward 2** and will be serviced on Tuesday: (*streets are listed alphabetically*). Belwood Drive, Bermuda Court, Bermuda Avenue {addresses from 1000 to 5615}, Colton Drive, Donbar Drive, Faraway Drive, Horizon Drive, Kirkland Drive, Olene Drive, San Bernardino Avenue, San Diego Avenue, Bishop J. A. Johnson Lane, Santa Monica Avenue, Skyview Drive, Stanwood Drive, Winslow Drive & Winward Drive.

WEDNESDAY - Bulky items collection and appliance collection for residents living in ALL 4 Wards.

Bulky items or heavy pick-up collection and “Appliance” collection will remain on Wednesday. Larger items like dressers & chairs may be placed at the curb for collection on this day. There is a \$10.00 charge for each “Appliance” collected. Heavy pick-up collection will be dropped from any week that contains a holiday allowing residents to receive two collections {*one household collection & one recycling collection*} during a holiday week. Material will be collected from all 4 wards on this day. Appliance collection must be paid for in advance of collection at Normandy City Hall.

THURSDAY - Service is scheduled for residents living in Ward 3 & in Ward 4.

The following streets are within the boundary of **Ward 3** and will be serviced on Thursday: (*streets are listed alphabetically*). Augusta Avenue, Bermuda Avenue, {addresses from 415 to 933}, Circle Drive, Cool Valley Drive, Contour Drive, Florissant Road {addresses from 7320 to 8115}, Lacorn Court, Marietta Avenue, Nacomis Drive, Natural Bridge Road {addresses from 7263 to 7855}, Oakmount Avenue {addresses from 3700 to 3748}, Pasadena Blvd, Rosedale, St. Ann’s Lane, Springdale Drive, Waco Drive, Walker Lane.

The following streets are within the boundary of **Ward 4** and will also be serviced on Thursday: (*streets are listed alphabetically*). Arcola Drive, Florissant Road {addresses from 7806 to 8242}, Lucas Lane, Natural Bridge Road {addresses from 7200 to 7900}, Normandy Place, Oakmount Avenue {addresses from 3600 to 3620}, St. Andrews Place, St. Mary’s Lane, Wallingsford Avenue.

FRIDAY - Recycling collection is scheduled for Friday: Recycled goods will be collected from all four wards on Friday. Our goal is to reduce the flow of trash into the landfill by 40% by recycling. Limit items placed in recycle cart to recycling items only. Please do not store food or household trash in your recycling cart. Please do not place recycling products in any type of plastic bag. You may however place your paper recycling items in a paper grocery bag if you wish.

HOLIDAYS

There are 9 weeks in a calendar year that contain 10 holidays; (1) New Year’s Day, (2) Martin Luther King Birthday, (3) President’s Birthday, (4) Memorial Day, (5) Independence Day, (6) Labor Day, (7) Veteran’s Day, (8) Thanksgiving Day together with the (9) Friday after Thanksgiving Day and (10) Christmas Day.

During a Holiday week, our crew will work a four-day week. Regardless of what day of the week the holiday falls on, the collection procedure is the same:

- The first work day of that week, our crew will provide service to Ward 1...
- The second work day of that week, our crew will provide service to Ward 2...
- The third work day of that week, our crew will provide service to Wards 3 and to Ward 4...
- The fourth work day of that week, our crew will provide recycling collection to all four Wards.

The exception to the rule will be Thanksgiving Holiday when there will be NO recycling collection on the Friday after Thanksgiving. Crews will provide service to Ward 1 on Monday, Ward 2 on Tuesday & Wards 3 & 4 on Wednesday providing NO heavy-pick-up service or recycling service for that holiday week.
